

MINNESOTA

JUNIORS VOLLEYBALL CLUB

Assistant Coach: Kate Kokaisel

Team: 15-1

I grew up in Woodbury, Minnesota and played Volleyball for Woodbury High School and Club Nike. I grew up playing Volleyball, Softball, and Basketball and am a huge sport fanatic. I have a Bachelor of Science Degree in Health & Human Performance from the University of WI – River Falls. I also hold a Master of Arts Degree in Leadership & Management from Concordia University St. Paul.

I have Coached various teams and sports for East Ridge Athletic Association and Woodbury Athletic Association. This will be my first-year coaching for **MN Juniors VB Club** and I'm very blessed to be a part of this Club's important Mission.

I am excited to pass along to these amazing young ladies what I have learned from my many years of education, in addition to my lifetime of player and coaching experiences. I have a true passion and deep love for this sport. I also have an extreme competitive edge. I'm super excited to work with this team and see what they are capable of when they combine effort, talent, attitude, mixed with solid and robust coaching and training. Now.....let's get to WORK!!! 😊
